

STEP 1:

How To Activate Your New Device

Thank you for choosing Cellcom for your wireless solution. Enclosed in this package if your new device and all appropriate paperwork.

The device will need to be activated prior to use. To activate the device, please follow the steps below.

Visit Cellcom.com/activate

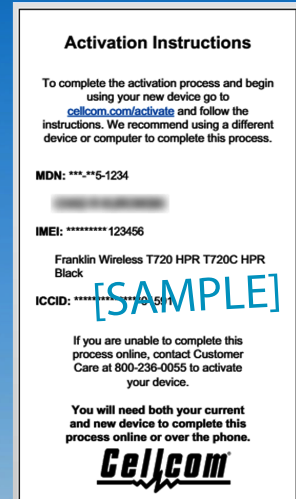

Refer to the Activation Instructions slip included with the shipment.

Enter the mobile number for your home phone

This is also listed as MDN on the Activation Instructions slip.

Enter the last five digits of the ICCID number

This is found on the Activation Instructions slip.

On the next screen you will be prompted to update software

Please disregard as this does not pertain to your device.

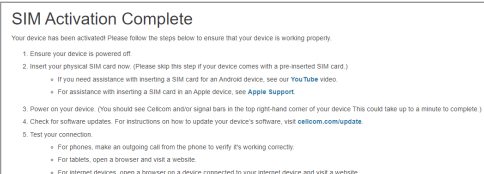

A PIN will be sent to the number or email selected on the screen.

Enter the PIN you received

You have five minutes to enter the PIN before it expires.

When you reach the screen below, the activation steps are complete

Please continue to side #2 to complete the set up of your home phone device.

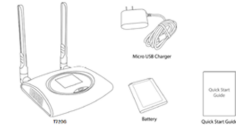

If you need further assistance, using another device, please contact our Customer Care at 1-800-935-4439.
